Spring 2015 C++ Standards Committee Meeting

Perceptive Software is pleased to host the Spring 2015 C++ Standards Committee Meeting on May 4-9, 2015.

Meeting location

Perceptive Software World Headquarters
8900 Renner Blvd.
Lenexa, Kan. 66219

(Located within the Kansas City metropolitan area)

Hotel accommodations

A special rate of $149 (USD) per night is available to meeting attendees at the Overland Park Marriott. This rate applies to single or double occupancy rooms and is available for reservations made by April 13, 2015. A registration link will be provided via email or you may contact the hotel at 1-800-228-9290 and reference the ISO WG21 Committee Meeting.

If you rent a car, the Overland Park Marriott is a 40-minute drive from the airport and free parking is provided. The hotel is conveniently situated in a business community at I-435, the main thoroughfare around Kansas City, and Metcalf Avenue. Its location provides easy access to a wide variety of sights, restaurants and shopping opportunities in the Kansas City area.

Travel and transportation

Kansas City International Airport is consistency ranked in the top five airports in the North America Satisfaction Study by J.D. Power and Associates, and is easy to navigate. Renting a car at the airport is recommended, though taxis are also available and cost about $85 (including tip) from the airport to the hotel. You can choose from a variety of car rental and taxi services. For details, please refer to the airport's Ground Transportation page.

Perceptive Software will provide a shuttle from the Overland Park Marriot to the meeting location. If you choose to drive to the meeting, plan for approximately a 20-minute drive during rush hour traffic. Perceptive Software provides free, on-site parking.

Meals and refreshments

Perceptive Software will serve breakfast as well as mid-morning and mid-afternoon refreshments. Attendees will be responsible for their lunch and evening meals. Upon arrival, you will receive a welcome packet that includes local restaurant suggestions. You are also welcome to purchase lunch at Perceptive Software's on-site café. For evening meals, you can choose from the hotel's two restaurants or from one of the many restaurants within a short driving distance. Interested to try Kansas City's world-famous BBQ? There are many options, including the local favorites Oklahoma Joe's and Fiorella's Jack Stack Barbeque.

Attractions

Kansas City is best known for its beautiful fountains, smooth jazz and tangy BBQ, but there is a long list of compelling sights and activities to enjoy during your visit. Lonely Planet agrees, choosing Kansas City as a top 10 U.S. travel destination for 2014.

The Prairiefire Entertainment District is located less than 3 miles from the Overland Park Marriott. Other popular destinations include downtown, Country Club Plaza, Crossroads Arts District, Crown Center and Village West.

Weather

In May, the Kansas City area generally experiences pleasant weather with a daytime high of 75°F (24°C) and nighttime lows in the upper 50s (10°C). Some rain can be expected.
