## 2017-11 Albuquerque WG21 meeting information

Sandia National Laboratories is pleased to host the  
Fall 2017 WG21 working meeting on  
November 6-11, 2107 at:

### [Albuquerque Marriott Hotel](#)

2101 Louisiana Blvd NE,  
Albuquerque, NM 87110

This is both the meeting and recommended lodging location. We encourage participants to stay at the meeting hotel and take advantage of the negotiated room rate of \$117 USD per night, which includes breakfast, lunch, internet, and parking.

[Register using this link](#) by October 16, 2017; or call 1-800-228-9290 to make your reservation via phone, ask for “Sandia National Laboratories – ISO/WG21 Working Meeting” room block. You must call to make reservations that include days before or after the meeting.

**Travel:** The [Albuquerque International Sunport \(ABQ\)](#) is served Delta, United, American, Southwest, JetBlue, Alaska, and Allegiant airlines. Our hotel does not provide a shuttle service to/from the airport. Taxis (estimated fair \$20 USD one way), [shuttle service](#) (\$15 USD one way), and rental cars (approx. 10 miles airport-hotel) are available.

**Local Dining:** Participants will be responsible for their own evening meals. The hotel is located in the Albuquerque Uptown area with numerous restaurants within walking distance.

**Weather:** Early November weather in Albuquerque is generally pleasant and average highs are in the mid 50s°F / 13°C with lows in the mid 30s°F / 2°C. Though possible, there is a low risk of precipitation in early November.

**Local Attractions:** If you arrive early or stay after the meeting Albuquerque offers numerous attractions such as [Historic Albuquerque Old Town](#), [Indian Pueblo Cultural Center](#), [National Hispanic Cultural Center](#), [New Mexico Museum of Natural History](#), [National Museum of Nuclear Science & History](#), [Albuquerque International Balloon Museum](#), [Sandia Peak Aerial Tramway](#), [Sandia Mountain Hiking Guide](#), and [Albuquerque Hiking Trails](#).

**New Mexico Attractions:** If you have a few before-or-after days then you may want to visit unique “Land of Enchantment” attractions such as [White Sands National Monument](#), [Carlsbad Caverns](#), [Very Large Array](#), and [Bandelier National Monument](#).
